This map reflects:

- The 1979 Official Thoroughfare Plan map for the City of Muncie
- Amendment 08-93A (approved maintaining Riggins Ext. along the south boundary of Farmington Meadows and removing the Tillotson Ext. north of Riggins)
- Amendment 13-96A (concerns upgrading Morrison to a proposed Collector between 332 to CR 350N)
- Amendment 12-97A (concerns upgrading McGalliard/332 to a Primary Arterial between Tillotson to Morrison)

- Yorktown's Thoroughfare Plan doesn't include all of Mt. Pleasant Twp at this time. This map shows the County's Thoroughfare Plan for Mt. Pleasant Twp outside of Yorktown.
- Yorktown includes the category of "Collector"; this map uses the same symbology for this road type however Yorktown may have a different ROW for their classification of Collector.
