After the verdict was returned, Delaware County Prosecuting Attorney Eric Hoffman said “Although justice was delayed in this case, it certainly wasn’t denied. Herbert was finally held accountable for his horrendous crime. His history of abusing women demonstrates that Kenny Herbert is a violent misogynist. The world is a much safer place with Herbert behind bars I am proud of Deputy Prosecutor Joe Orick, Prosecutor’s Investigators Lana Kasinger and Joni Wells, and Detective John Branson of the Delaware County Sheriff’s Office for their hard work and dedication in this case.”
