Mr. Whitehead moved for approval. Motion seconded by Mr. McIntire. **Motion passed 4-0.**

NEW BUSINESS:

Mr. Swoboda addressed Mr. Borchers and asked if he had any new business to present to the Board today.

Mr. Borchers stated I just have a couple updates that's not on the agenda. Bart Lillie submitted a request to have a tile that runs through his field vacated that cant be found. Today I'm going to send out the notice to vacate to all the effected land owners so we can have a meeting on it next month. Stan and I went out to 700 East to look at the ditch Mr. Humbert came in and talked about at our previous meeting. I don't know exactly whose responsibility that ditch is, I think its owned by the County Commissioners but what I think the problem is, there is some corn stalks and other stuff that runs into our regulated drain on the north side of 100, so when the crops come off, we are going to clear that all out and mow some of that ditch maybe that will get the water away faster, we are also going to cut down the culvert a little bit. If that doesn't work then we are going to have to decide whose ditch it is. I think if we get the water away faster on the North side of 100 that will be the majority of our problem taken care of.

OLD BUSINESS:

Mr. Swoboda addressed Mr. Borchers and asked if he had any old business to present to the Board today.

Mr. Borchers stated, I do not.
